

# WAYPOINT

SINGLE VINEYARD WINES

## 2021 · PINOT NOIR TERRA DE PROMISSIO

### TASTING NOTES

The color is deep ruby red with hints of purple and black. On the nose is warm, green earth, moss, forest, and conifer notes, with black cherries, ripe black plums, and currants. There's a light vanilla spice and a tiny breath of wild herbs. In the mouth, it is very round, voluptuous, and filling, but the brisk acidity takes over and keeps it deft on the palate. There's tobacco, black cherries, blackberry pie crust, and other red fruits, plus a soft, gentle grip of tannin that lengthens the finish.

### VINEYARDS

The Terra de Promissio vineyard is located outside Petaluma, where the Sonoma Coast AVA and Petaluma Gap AVA overlap. The wines produced here benefit from the unique combination of vineyard characteristics, farming practices, and of course, the wind and fog from the Petaluma gap.

### WINEMAKING

In the cellar, this fruit was treated to Stainless steel fermentation and 12 months aging in 51% New French oak.

WINEMAKERS: Matthew Sands, Philippe Melka

VARIETAL: 100% Pinot Noir

CLONES: 777 & 115

HARVESTED: September 3rd, 2021.

BOTTLED: August 2022

CASE PRODUCTION: 205 cases.

ALCOHOL: 14%

AVA: Sonoma Coast, Petaluma Gap.

VINEYARD: Terra de Promissio Vineyard.

### WINE ENTHUSIASR CELLAR SELECTION

"Intricate savory aromas of bay leaf, spearmint and sour cherries lead to vibrant red cherries, cranberries and basil flavors in this complex and fascinating wine. Beautiful balance, textural tannins and a slight sense of restraint keep you coming back for more. Best from 2025–2032."

Jim Gordon
